

## C1 Peer Review 1-3 User Stories

US ID #	USER STORY
<b>Basics</b>	
1	As an owner, I want to add a thing to my things. Each thing is created with title, maker, description, status, and dimensions (Length x Width x Height).
2	As an owner, I want to view one of my things, its title, maker, description, dimensions and status and if it is being borrowed, the username of the borrower.
3	As an owner, I want to edit a thing in my things.
4	As an owner, I want to delete a thing in my things.
<b>Lists</b>	
5	As an owner, I want to view a list of <b>all</b> my things, each with their title, description, and status.
6	As an owner, I want to view a list of all my things that are <b>available</b> , each with their title and description
7	As an owner, I want to view a list of my things being <b>borrowed</b> , each with their title and description.
<b>Photographs</b>	
8	As an owner, I want to optionally attach a photograph to a thing of mine.
9	As an owner, I want to view any attached photograph for a thing.
10	As an owner, I want to delete any attached photograph for a thing of mine.
<b>Borrowing</b>	
11	As an owner, I want a thing to have a status of "Available" if the thing can be borrowed or was returned, or a status of "Borrowed" if the thing is currently being borrowed.

## Glossary

**user:** a person who uses or operates the app. Users are owners.

**owner:** a user who owns an item.

**item:** an object that is owned by the owner and may be shared.

**item status:** the current state of the item, which defaults to "Available" and can be changed at any time by the owner. When an item is borrowed, the owner changes the item's status to "Borrowed", and when the item is returned, the owner changes the status back to "Available".

**available:** the item is not currently being borrowed, so it is available to be borrowed.

**borrowed:** the item is currently being borrowed.

**item list:** a list of items the owner currently has listed, possibly filtered by some condition, i.e. "Available", or "Borrowed".

**item title:** the title of the item.

**item maker:** the manufacturer, brand or creator of the item.

**item description:** a brief description of the item. Could be a list of keywords or a sentence.

**item dimensions:** the length, width and height of the item in cm.
